URSO HOTEL & SPA

MADRID, SPAIN

Urso Hotel & Spa is ideally situated for a long weekend away with your fiancé. It's incredibly central yet away from the busy areas of the city, set between the up-and-coming Tribunal area and the trendy Chueca district. Set in a 20th century building, Urso retains its neo-classical elegance, whilst bringing a fresh and stylish interior.

The hotel boasts 78 rooms and suites, some with terraces (which we absolutely love). All rooms are bright, fresh and well-balanced, making you feel right at home.

There is plenty to do and visit nearby the hotel. For the shopaholics, Serrano the main shopping area in Madrid is only a 10 minute walk away. The Barcelo food market, which opens later this year, is right on the hotel's doorstep. This market showcases the capital's very best gourmet scene and local delicacies.

The spa is the first branded luxury hotel spa in Madrid, offering treatments from the prestigious Spanish skincare specialist Natura Bissé. An intimate and discreet hideaway on the lower ground floor.
